Low Risk Produce (biscuits, olives, etc, wrapped food, utensils using for food handling)

- Alcohol based hand gel/sanitizer, antiseptic wipes and/or disposable gloves.
- Spoons, tongs, plastic wrapping or disposable gloves to prevent direct contact with produce.

Preferable

- First Aid Kit
- Sneeze Guard - for those selling unwrapped produce

NB: Please note that personal appearance is important to give a good impression to customers! No dirty work clothes or dark glasses. We also recommend that you do not sit down at markets, unless you have a disability, as it prevents engagement with customers, and has been found to deter customers from perusing such stalls.
