Ingredients

If you are making products from raw ingredients (i.e. cakes, bread or beers) **at least 25%** of the ingredients you use must be sourced or grown locally. If you are making meat pies or similar products, the meat must be 100% locally reared. 'Local' means within a 30-mile radius of the market. Labour does not count as the 'local' contribution. Please give details of your local suppliers; you will be required to show receipts to support your application when your accreditation visit takes place. Please note that 'local' does not mean your local butcher or supermarket.

Please confirm the markets you are interested in attending. Attendance will be subject to availability of space once your application has been processed. Entering the names of TVFMC markets you would like to attend is *not* a guarantee that you will be accepted on any particular market.
